20 Subject: Response to the notice of non-recording mailed
on 4/22/2005

Dear Sir,

25 A notice of non-recording of the above-identified
application (Attachment 1) was mailed on 4/22/2005 and
indicated that the original cover sheet (the form PTO-1595)
was not accompanied by the request for correction of the
assignee's name on the assignment record (Reel/Frame: 012957
/0637) submitted on 3/21/2005.

30

According to the telephone interview with the
examiner Allyson Purnell conducted on 04/23/2005, the

examiner thought the copy of the originally recorded document showing errors was not contained in the previous request. Actually, the document was accompanied by the request on 3/21/2005. It was in the form of a printout
5 generated by the EFS system, not in the form of a PTO-1595 (Attachment 2, P6-7). Since all the required documents and the recording fee \$40 listed on the Notice of non-recordation were enclosed with the previous request, the applicant therefore respectively requests the USPTO to reconsider the
10 non-recordation decision made on 4/22/2005.

Please correct the assignee's name in the previously recorded document from **Faraday Technology Grop.** to **Faraday Technology Corp.** and mail a updated notice of recordation to
15 the applicant as soon as possible. Thank you.
